

STURP Team Members

Name	Organization	STURP Responsibility
1978 Turin Expedition Team		
John P. Jackson	U.S. Air Force Academy Assoc Prof of Physics	STURP President / measurements / analysis
Eric J. Jumper	U.S. Air Force Academy Assoc Prof of Aeronautics	STURP Vice President / measurements / analysis
Joseph S. Accetta	Lockheed Corporation	Infrared spectroscopy
Steven Baumgart	U.S. Air Force Weapons Laboratory	Infrared spectral measurements
Ernest H. Brooks II	Brooks Institute of Photography	Scientific photography
Donald Devan	Oceanographic Services, Inc.	Scientific photography/image analysis
Rudolph J. Dichti	University of Colorado	Technical support of all experiments
Robert Dinegar	Los Alamos National Laboratory	Chemistry, tape sample removal/analysis
Thomas F. D'Muhala	Nuclear Technological Corporation	Logistics
Mark Evans	Brooks Institute of Photography	Microphotography
John D. German	U.S. Air Force Weapons Laboratory	Technical support for all experiments
Roger Gilbert	Oriel Corporation	Visible/ UV spectroscopy
Marty Gilbert	Oriel Corporation	Visible/ UV spectroscopy
Thomas Haverty	Rocky Mountain Thermograph	Thermography
Donald Janney	Los Alamos National Laboratory	Image analysis
Joan Janney	Los Alamos National Laboratory	Technical support
J. Ronald London	Los Alamos National Laboratory	X-ray radiography and X-ray fluorescence
Jean Lorre	Caltech Jet Propulsion Laboratory	Image analysis
Donald J. Lynn	Caltech Jet Propulsion Laboratory	Image analysis Of Note: Lynn was Director of imaging on the Voyager, Viking, Mariner and Galileo projects.
Vernon D. Miller	Brooks Institute of Photography	Scientific photography
Roger A. Morris	Los Alamos National Laboratory	X-ray fluorescence
Robert W. Mottern	Sandia National Laboratory	Image analysis, X-ray radiography
Samuel Pellicori	Santa Barbara Research Center	Visible / UV spectroscopy
Ray Rogers	Los Alamos National Laboratory	Chemistry / tape sample removal / analysis
Barrie M. Schwartz	Barrie Schwartz Studios	Documentation photography

Kenneth E. Stevenson	IBM	Public relations
STURP Members not on Turin Expedition, but who later worked with Shroud Samples		
Al Adler	Western Connecticut State Univ.	Biochemist / tape sample analysis
Robert Bucklin	Harris County, Texas, Medical Examiner's Office	Medical / forensics
Jim Drusik	Los Angeles County Museum	Conservation
Joseph Gambescia	St. Agnes Medical Center	Medical analysis
John Heller	New England Institute	Biophysics
Larry Schwalbe	Los Alamos National Laboratory	Physics / X-ray fluorescence
Diane Soran	Los Alamos National Laboratory	Chemistry / Archaeology
